

The 88Edge Difference

- ✓ *NFC technology ensures officers visit checkpoints*
- ✓ *Precise instructions per site or checkpoint to help our officers monitor your property*
- ✓ *Important reminders displayed upon scanning checkpoint to officers*
- ✓ *Custom forms & verification lists can also be designed for your property*

NFC TOKENS

- ✓ *Designate specific responsibilities for officers to perform on your property during each patrol*
- ✓ *Track officer performance to ensure completion of responsibilities*
- ✓ *Receive customized reports*

Transparency & Accountability

- ✓ *Access to our 88Edge software for your property*
- ✓ *Signal 88 Management has access to all footage of officers via our dual-vision cameras*
- ✓ *Receive detailed & accurate reports instantaneously*
